OFFICE OF PETITIONS

In re Application of	:	
Nicos A. Vekiarides	:	
Application No. 09/664,499	:	DECISION ON PETITION
Filed: September 18, 2000	:	
Attorney Docket No. 100201747-1	:	

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed September 21, 2007, to revive the above-identified application.

The petition is **GRANTED**.

This application became abandoned for failure to timely pay the issue and publication fees on or before July 11, 2007, as required by the Notice of Allowance and Fee(s) Due, mailed April 11, 2007. Accordingly, the date of abandonment of this application is July 12, 2007.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of payment of the issue fee of \$1400, (2) the petition fee of \$1500; and (3) a proper statement of unintentional delay.

There is no indication that the person signing the instant petition was ever given a power of attorney or authorization of agent to prosecute the above-identified application. In accordance with 37 CFR 1.34(a), the signature appearing on the petition shall constitute a representation to the United States Patent and Trademark Office that he/she is authorized to represent the particular party in whose behalf he/she acts. However, if petitioner desires to receive future correspondence regarding this application, the appropriate power of attorney or authorization of agent must be submitted. A courtesy copy of this decision is being mailed to petitioner. Nevertheless, all future correspondence regarding this application file will be directed solely to the address of record until otherwise instructed.

It is not apparent whether the statement of unintentional delay was signed by a person who would have been in a position of knowing that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was

unintentional. Nevertheless, in accordance with 37 CFR 10.18, the statement is accepted as constituting a certification of unintentional delay. However, in the event that petitioner has no knowledge that the delay was unintentional, petitioner must make such an inquiry to ascertain that, in fact, the delay was unintentional. If petitioner discovers that the delay was intentional, petitioner must so notify the Office.

The application file does not indicate a change of address has been filed in this case, although the address given on the petition differs from the address of record. A change of address should be filed in this case in accordance with MPEP 601.03.

There is no indication that petitioner has submitted a Part B-Fee(s) Transmittal form (PTOL-85). Accordingly, if petitioner desires to have the information normally found thereon printed on the patent, the attached copy of the Fee(s) Transmittal form should be completed and returned to the Publishing Division within **ONE MONTH** from the mail date of this decision.

Telephone inquiries concerning this decision should be directed to undersigned at (571) 272-1642.

This application is being referred to the Office of Data Management for processing into a patent.
